

# Can't Go to Washington on April 29, 2017 for The Peoples Climate Mobilization?

**If you have never been to a half million person event you should go, but if you can't, then join us in Bay City.**

## **Eighth Annual 350 Picture Event Noon on Saturday April 29, 2017 in Veterans Park North End by Marina**

**This location is 200 yards north of the regular(old) location due to an event in that area.**

**Show your support for green energy and conservation.**

**Show your opposition to burning fossil fuels and support for citizen actions.**

**Starts about 11:45AM**

**Picture taken at Noon or slightly after.**

**Short talks for forty minutes total on updates for climate issues,**

**After glow and networking at a local establishment 1PM to 3PM.**

**350 parts per million(ppm) of CO2 is what gives a climate that will sustain us.**

**We are at 404 PPM and it goes up 2 to 3 ppm each year.**

**Demand that Washington eliminate fossil fuel burning and support green alternatives.**
